**ASSIGNED ADMINISTRATIVE LAW JUDGE'S RULING  
SETTING A SCHEDULE FOR COMMENTS ON THE  
ASSESSMENT OF PROPOSED NEW PROGRAM YEAR 2006 MEASURES**

On May 2, 2005, the Low Income Energy Efficiency Standardization Team filed and served a document entitled Report on the Assessment of Proposed New

Program Year 2006 Low Income Energy Efficiency Program Measures. Through this ruling, I am providing an opportunity for parties to comment on this report. Opening comments must be filed and served no later than September 16, 2005, with reply comments due one week later, on September 23, 2005.

The latter date coincides with the deadline for reply comments on the pending utility 2006 and 2007 program funding applications. Parties offering reply comments on both the applications and Standardization Team report are welcome to consolidate those comments into a single document. Parties similarly wishing to consolidate opening comments on both the applications and the report are welcome to do so, but would have to file such comments no later than September 9, 2005 (the deadline for opening comments on the applications). Otherwise, parties may separately file opening comments on the applications by September 9, 2005, and opening comments on the report by September 16, 2005.

**IT IS SO RULED.**

Dated September 1, 2005, at San Francisco, California.
